

Lesson 1: More Excel Charts

Chapter 1, Video 1: "Welcome to Intermediate Excel 2016"

Welcome to *Intermediate Microsoft Excel 2016*. If you're taking this course, you're already familiar with some of the things you can do with Microsoft Excel. In this course, we're going to dig a little deeper, and you're going to gain more techniques to make the most of this powerful spreadsheet program. We'll be looking at some great Excel features, including charts, graphs, PivotTables, and AutoFilters, and you'll gain even more proficiency with Excel's functions and formulas. So what are we waiting for? Let's get started with Lesson 1.
